Witnessing while we wait

Acts 1:1-11 | Josh Bishop

Eating with the risen King... (v 1-5)

A command to wait

A promised gift

An eager and hopeful question (v 6)

Right expectation but wrong timing

Sent out as witnesses with power

Divinely infused witnesses (v 7 -11)

A kingdom of all nations

Lead and guided by the Ascended Lord

The Ascension is the ultimate declaration of the Good News

Application

Not a normal human enterprise

Chosen by a powerful God who has chosen to use us

Unique identity as the church

Prayerfully dependant and faithfully witnessing

Time is limited – because Jesus will return!
